Hi Rob,

We need to get copies of the design to Lyndhurst and the County. Could you load the entire report onto a few cds, maybe 2 for the town, 2 for the county, and 1 more (for me to send to Ben Delisle)? Also, do you have the contact information for the county (I'm home today)?

Either Pat or Sarah will probably send the main text of the report to John Scagnelli today (since I said we would get him something today). Is the CPG planning to contact him about setting up a meeting? Please let me know how you're planning to proceed so we can coordinate.

Thanks,
Stephanie
